2.   50X1-HUM

effective 1 April 1949, goods from the USSR were to be transhipped at Cerna nad Tisou and goods sent to the USSR at Velke Kapusany. Greatly increased shipments of manganese ore, ferro-silicon, and ferrochrome were to be received in April from the USSR. Both Cerna and Velke' Kapusany are under the same railway management. Part of the Cerna personnel are now employed at Velke' Kapusany.

3. The principal transhipment station for heavy goods (locomotives, heavy machinery, etc.) is Mukacevo (Carpatho-Ukraine).
